Country Sports Ireland

Working to Promote & Protect Country Sports

www.countrysportsireland.org

Country Sports Ireland is a dynamic and rapidly growing local membership organisation, run by knowledgeable and dedicated country sports experts.

We have teamed up with global insurance specialists Willis Towers Watson (Ireland) to put together an outstanding country sports insurance package for members.

Every member is covered by £10 million (€14 million) public and products liability insurance in the event of a claim arising as a result of bodily injury of a person or property damage whilst the member is participating in or travelling directly to or from all recognised country sports.

Every member also enjoys personal accident cover which provides compensation and medical expenses cover for permanent injury to the member again whilst participating in or travelling directly to or from any recognised country sports.

Membership is open to anyone resident in any part of Ireland and insurance cover applied throughout the European Union.

We selected Willis Towers Watson as our insurance partners due to their acknowledged global insurance expertise and their highly professional claims management process. Our member's insurance providers have an outstanding reputation for satisfactory claims settlement.

'Recognised Activity' means taking part legally in shooting including sporting shooting, clay target shooting, rifle shooting, target shooting, angling (inc. sea, coarse and game), deer stalking, falconry, ferreting, vermin control, riding, horse drawn carriage driving, hunter trials, exercising hounds, lurcher work, whip-pet racing, terrier work, dog shows, hound trailing, hunting, team chasing, hunt following, polo, polo-crosse, gundog training including officiating, assisting or spectating at field trials and conservation work.

Individual Membership £30/€40
